

The purpose of this page is to provide examples of successful fundraising at the local level. This will make it easier for local groups to design and write funding proposals.

### **New York Funded Project**

Target - wildlife facility, amount \$10,000, funding source - "go fund me."

In this "Go Fund Me" project \$10,000 was raised to install bird-safe window film at the Jamaica Bay Wildlife Refuge Visitor Center at Gateway National Recreation Area.
